SOCORRO HAS ORGANIZED A COMMERCIAL CLUB

The Socorro Commercial club has recently perfected its organization by the election of officers as follows: President, Capt. M. Cooney; Vice President, John Greenwald; Secretary, John B. Griffith; Treasurer, A. D. Coon. The club had its origin a few months ago as a purely social affair among a few congenial spirits. Now, however, in addition to the social feature there is a business feature that may result in much good to the city.—Chieftain.

HEALTH IS YOUTH.

Disease and Sickness Bring Old Age. Herbine, taken every morning before breakfast, will keep you in robust health. It cures constipation, biliousness, dyspepsia, fever, skin and kidney complaints. It purifies the blood and clears the complexion. Mrs. D. W. Smith, Whitney, Texas, writes April 2, 1902: "I have used Herbine, and find it the best medicine for constipation and liver troubles. It does all you claim for it. I can highly recommend it."—Sold by J. H. O'Reilly & Co.

BUSINESS COLLEGE NOTES

It is quite warm, even in the shade, but it is not warm enough to prevent students from entering the summer school of the business college. During the past week, Miss Webster, Mr. Ashton, Carlos Noyer, Helen Noyer, of this city, and Miss Ward of Los Angeles, have joined our short-hand classes. Grace McBrian, Wm. McMillan, Emmmons, and Leo Garcia have joined our book-keeping class. A large class has also been formed in penmanship. The classes in the graded work are doing very nicely. Miss Dolores Armijo is doing special work in normal branches, preparatory to teaching. We have secured the services of Miss Redman, who takes charge of the Latin and higher English classes of the high school pupils. The Spanish class will be in charge of Prof. Montoya, beginning next week, when he will also open classes in French and Italian. Every Friday morning we have speed contests on the typewriters, and we would be pleased to have visitors at that time, or in fact, any time, people will be welcome to call and visit the school and see our work.

Forced to Starve.

B. F. Luck, of Concord, Ky., says: "For 20 years I suffered agonies, with a sore on my upper lip, so painful sometimes that I could not eat. After vainly trying everything else, I cured it with Buckle's Arnica Salve. It's great for burns, cuts and wounds. At all drug stores; only 50c."

BOUGHT HIM A HOME

After paying \$15 a month rent for nine years, John Eumson, night car inspector at the yards, has bought of Porterfield Company the 5-room house just completed at 814 South Arno. He says he didn't know how easy it would be until he tried; that the payments are only a trifle more than his rent would be, and he will have it all paid for in four years. He is so well pleased that he is advising all his friends who are paying rent to see Porterfield Company, at 110 West Gold avenue, and get a home from them on easy payments.

MURDER IN FIRST DEGREE

At 7 o'clock last Saturday evening for the first time in twenty years a Socorro county jury returned to the court that they had agreed upon a verdict of guilty of murder in the first degree as charged in the indictment, says the Socorro Chieftain. The case was that of the territory of New Mexico versus Escalante Tals, charged with the murder of Peter Sanchez de la Torre, her home in San Marcial on the 14th day of last December. The victim was a woman seventy years of age and she was stabbed and slashed in a horrible manner. David Cuellar, the witness whose testimony was probably given most weight, testified apparently without the slightest compunction that he himself did the bloody work under the point of a pistol in the hand of Tals, who threatened him with instant death if he failed to complete the butchery. After the conviction of Tals, Cuellar pleaded guilty to murder in the second degree.

The case was tried very expeditiously. It took but forty-five minutes Friday morning to secure the jury, consisting of Foreman E. G. Hill, James Patterson, Jose Armijo, Maximiliano Carrillo, Francisco Padilla y Lucero, Esmel Aragon, J. K. P. May, Melvin Swapp, Al Strozzi, Fernandez Gallegos, Ricardo Ortega, and Abran Torres. This jury took the case at half past eleven o'clock that evening. The prisoner heard the verdict without being visibly affected beyond, possibly a slight nervousness. This conviction is received with many expressions of satisfaction, for the reason that it will tend to establish confidence in the security of life and property in Socorro county. District Attorney Elizo Haca conducted the prosecution and Attorneys J. S. Fielder and John E. Griffith appeared for the defendant.

Cholera Infantum.

Ruth, the little daughter of E. N. Dewey, of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Cholera, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well. This remedy is for sale by all dealers."

Dr. Bergin, Pana, Ill., writes: "I have sold Ballard's Snow Lintment; always recommended it to my friends, as I am confident there is no better made. It is a dandy for burns. Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Lintment is applied. It should always be kept in the house for cases of emergency."—50c, 50c, 1.00. Sold by J. H. O'Reilly & Co.
